

We love Bowstring Shores! It's the best place for a true family vacation. Our family has vacationed here 3 years in a row and will be back for a 4th year. The family activities, the fishing, the staff... it's all so awesome. Everything we need is here. Darv and MarJeane are such gracious hosts and very accommodating. Our boys love to go out fishing and paddle boating on the beautiful lake, swimming in the heated pool and hanging out at the lodge with other children. We love to take leisurely walks, read books on our cabin deck and cook out and have marshmallow roasts every night. We hate to leave and always look forward to coming back every year. The Willmeths.
