

“We love Bowstring Shores! Mom says the best thing about this resort is the friendliness of the staff. Everyone was so helpful and kind during our stay. Cabin 14 is very roomy and comfortable and you can’t beat the view from the big deck! Everything we could possibly need is readily accessible – bait, gas, wireless internet and most importantly, ice cream! We will definitely be back next year! ~ Cabin 14 – The Whitney and Hall families.
